To Whom it May Concern:

I'm writing to recommend Edurardo Fuentes for employment.

I worked with Eddie on a Device Certification team where we needed to troubleshoot Device software and hardware issues. In the time I worked with Eddie its my opinion he proved himself as being eager to learn, efficient with this troubleshooting skills, and self-sufficient. We worked in an environment where it was important to own our issues, work independently, and be effective. I believe Eddie would make a great team player and asset to any team.

Thanks
